Certifications and Compliance

The Meteor Pro complies with the following directives and standards:

- **CE** – Conformité Européenne
- **RoHS** – Restriction of Hazardous Substances (Directive 2011/65/EU)
- **RED** – Radio Equipment Directive (2014/53/EU)
- **IEC 62368-1** – Audio/Video, information and communication technology equipment – Safety requirements

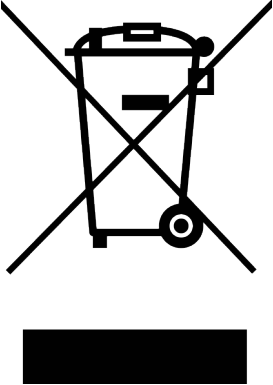

The device meets the essential requirements and other relevant provisions of the RED Directive 2014/53/EU.

A Declaration of Conformity (DoC) is available upon request.

Labels and Symbols

The following marks are present on the product label:

Symbol	Meaning
--------	---------

	Conformity with EU directives Directives européennes
	Waste Electrical and Electronic Equipment Directive 2012/19/EU Directive DEEE 2012/19/UE

All symbols comply with IEC 60417 and ISO 7000 graphical symbol standards.

Do not attempt to open, modify, or repair the Meteor Pro yourself.
For service, maintenance, or disposal, contact Nomadstar SARL or an authorized partner.

The Meteor Pro is designed for **field communication and geolocation**.
Any use outside the scope defined by Nomadstar SARL — such as modification of internal components, or use with unexpected accessories — may void compliance and warranty.
